

INTERNAL USE ONLY

SUBJECT: Color Motion Picture Photography in Agency Auditorium

4. If you desire that we proceed further on this subject, it is recommended that the Agency contract with a well-qualified architectural firm in order to obtain architectural plans and specifications which would provide for the necessary lighting with the least adverse effect on the aesthetics of the existing design of the auditorium. This effort would, of course, be coordinated with the Agency's Fine Arts Commission.

Acting Director of Logistics

CONCURRENCE:

Hugh T. Cunningham //
Director of Training

5 AUG 1970
Date

The recommendation contained in paragraph 4 is approved.
